**Scaricare online book Italiani Creative Metal Forming Betty Helen Longhi & Cynthia Eid** , Two accomplished metalsmiths, both with extensive teaching careers, have joined forces to provide a comprehensive survey of the ways to form sheet metal. This interactive digital book includes not only the 750 photos and illustrations in the printed book but 21 short videos that make the instruction come to life. The text covers a huge swath, from a basic dapped disk through synclasting, anticlasking and spiculums to a raised vessel. Along the way, special attention is given to anticlastic forming and the vocabulary first introduced by their mentor, Heikki Seppä. Creative Metal Forming includes 35 detailed exercises to explain the basics and as well as advanced nuances of each category.
