**Strangers living worlds apart.
Strangers with nothing in common.**

But it wasn't always that way...

Kerry Hayes is a single mum, living on a tough south London estate. She provides for her son by cleaning houses she could never hope to afford. Taken into care as a child, **Kerry cannot ever forget her past.**

Noah Martineau is a successful barrister with a beautiful wife, daughter and home in fashionable Primrose Hill. Adopted as a child, **Noah always looks forward, never back.**

When Kerry reaches out to the sibling she lost on the day they were torn apart as children, she sets in motion a chain of events that will have **life-changing consequences for them both.**

By turns funny and moving, *Half a World Away* is a story that will stay with you long after you read its powerfully emotional, heartbreaking final page.
