

Scaricare Online Book Italiani Options Trading In 7 Days - Simon Gleadall

Scaricare online book Italiani Options Trading in 7 Days Simon Gleadall , An excellent introductory guide to options trading, written by the renowned options author Simon Gleadall and published by Volcube, the leading options education technology company. The 7 easy-to-digest lessons cover :

- * An introduction to options
- * Option valuation
- * Ways to trade options
- * Option pricing
- * Managing option risk
- * Understanding implied volatility
- * Trading options and volatility

The book aims to give the reader with no prior knowledge a high-level overview of basic options theory, put-call parity, the Greeks, option trading strategies and implied volatility trading.

Each lesson is accompanied by Exercises (with full Solutions).

Suggested optional Assignments that can be attempted using Volcube's options training technology are also provided for each lesson.
