In this newly revised third edition of the award-winning classic, Dr. Mary Sheedy Kurcinka provides vivid examples of real-life challenges and a refreshingly positive viewpoint. Within these pages you will find:

New strategies for managing intensity levels—not just the spirited child's, but yours too A simple, four-step program for peaceful bedtimes, mealtimes, holidays, and many other commonly challenging situations A focus on your child's strengths Steps for teaching your child how to be a problem solver and how to work with others Updated guidance on establishing clear limits And more!

Charts and quick tips make this newly updated edition an indispensable guide for fostering a supportive, encouraging,

and loving environment for children.
